1. If the superintendent shall recommend the dismissal or non-renewal of any teacher, the teacher shall be given written notice thereof with reason(s) prior to final School Board action on such recommendation.
2. Upon receipt of the notice described in the preceding subsection, or upon being advised that the superintendent intends to make such recommendation for dismissal or non-renewal, the teacher shall, upon written request filed with the superintendent no later than five (5) calendar days following receipt of such recommendation or advice of intention to recommend, have the right to a meeting with the superintendent at which the teacher may advance reasons why such dismissal or non-renewal should not be recommended to the School Board.
3. Teachers who no longer are employed by the Board shall retain the right to grieve alleged violations of this Agreement, which occurred during their employment or concurrent to their involuntary termination, subject only to the provisions of Article IV.
4. If any teacher shall be disciplined, i.e. demoted, suspended, terminated, or suffer loss of pay, such discipline shall be for just cause and may be challenged pursuant to the provisions of Article IV of this Agreement.

As used herein, “demoted” shall not be construed to include a determination of the Board to change any differentiated pay position assignment or extracurricular duty assignment.

5. If it shall be ascertained that the disciplinary action taken against a teacher resulted in loss of salary or other benefits without justification, the teacher shall be restored such salary or other benefits to the extent feasible. Such restoration shall include placement on the salary schedule so that the

teacher's salary shall be no less than the amount that he/she was scheduled to receive prior to disciplinary action.

6. Any disciplinary action taken against a teacher based on a complaint by a parent or student shall be limited to informal action unless the matter is first reported to the teacher in writing. Formal disciplinary action resulting from such complaint shall be limited to those matters which have been reported to the teacher in writing.
7. No reprimand or discipline shall be discussed by the administrator(s) or the teacher or representative involved in the presence of students, parents, or employees not involved in the events giving rise to such reprimand or discipline, provided this shall not preclude such discussion as is necessary to establish the facts or to process such reprimand or discipline to the School Board, and provided such shall not preclude the teacher and/or representative discussing the same with appropriate Union officials.
8. A teacher shall be entitled to have present a representative when being reprimanded or disciplined. Reassignments out of the teacher's classroom following an alleged incident upon investigation shall be grounds for the presence of a representative of the teacher's choice. In an emergency, such meeting shall be held within one work week of the reassignment. When a request for such representation has been made, no action shall be taken with respect to the teacher until such representative shall have a reasonable opportunity to be present.
9. In the event a teacher is placed on Administrative Leave by the District, at such time as being put on Administrative Leave, the teacher shall be informed of the specific incident which led to such leave, unless doing so jeopardizes student safety or the integrity of the investigation.

Section B - Calendar

1. The regular school year of all Type "E" employees covered by this Agreement shall consist of no more than one hundred eighty (180) student days and one hundred ninety-six (196) teacher days inclusive of paid holidays.
2. No more than two (2) required evening events shall be scheduled per semester. Any subsequent events shall be clearly understood to be voluntary participation and compensatory time shall be offered.
3. On any day that teachers are required or have mutually agreed with the principal to return to school for evening activities, teachers shall be released as soon as the student day has ended and student supervisory duties have been completed. Neither open houses nor parent-teacher conferences will be

scheduled on the 2nd or 4th Tuesday of any month to avoid regularly scheduled school board meetings.

If the Governor declares a state of emergency for hurricanes or tropical storms for counties that include Brevard County, teachers shall be released as soon as the student day has ended and student supervisory duties have been completed.

4. The length of the normal teacher workweek shall be forty (40) hours. During the ten (10) days totaling eighty (80) hours reflected on the Board-adopted school calendar as student non-attendance days, the Superintendent and/or Principal shall schedule thirty-six (36) hours of teacher work assignments providing a forty-four (44) hour balance which shall be designated as teacher planning/preparation time. Counselors who may otherwise be prohibited from planning time shall be granted a minimum of eight (8) hours to plan/prepare on their own prior to preplanning. These hours are in addition to any hours previously allocated and will be paid at the teacher's hourly rate. The Principal shall give to teachers on the first day of pre-planning a written schedule of the year's non-student days, specifying which hours are to be administratively designated and which hours are to be used as teacher planning/preparation time. Except in an emergency, the Principal shall not adjust the schedule. In such case, the adjusted schedule shall be provided in writing with details of the emergency.
5. The following days shall be designated as paid teacher holidays.
 - a. Labor Day
 - b. Veterans Day
 - c. Thanksgiving Day
 - d. Day After Thanksgiving Day
 - e. New Year's Day
 - f. Martin Luther King Day
6. The early release program shall be implemented in a manner that ensures compliance with Florida Statutes in regard to instructional time.
 - a. Beginning with the 2019-20 school year, early release shall begin the first Friday of the school year and continue each Friday thereafter, excluding the three (3) shortened student days at the end of each semester as outlined in paragraph 7 below. Students at each site shall be released a minimum of seventy-five (75) minutes earlier than the typical dismissal time for the site. No more than six (6) early release Friday's shall be used for site-based professional development at the discretion of the principal with no more than three (3) per semester.

One early release Friday of each month may be used for site-based professional development at the discretion of the principal. The Principal shall establish a professional development calendar during pre-planning. Teachers may utilize Compensatory Time on early release days.

- b. Instructional staff is required to complete the regular school day on early release days and may not shorten their day except when the administrator has provided approved leave for a specific purpose.
7. It is the intent that the three (3) shortened student days at the end of each semester be utilized for those activities required to complete the student evaluation process. The teacher workday between semesters shall be for the purpose of uninterrupted teacher planning and preparation.
 8. The day between semesters and the post-planning day will be at the teacher's discretion as long as check-out procedures have been completed.
 9. Except for reporting at the end of the first semester and the end of the last semester, provided that grades are not due before the end of the workday, teachers shall have no less than two (2) workdays after the end of the grading period to prepare grades before turning in such grades to the administration and/or school office. If the electronic gradebook is unavailable due to the district server being down, for three (3) or more hours at the end of a grading period, the deadline for grades being due may be extended the amount of time that was unavailable to teachers.
 10. A principal shall inform teachers of their end of the school year checkout obligations no later than two weeks prior to the last scheduled student day.
 11. Beginning with the 2018-2019 school year, one non-student day shall be planned for the end of the first quarter and end of the third quarter, within the period of time when grades are due. To comply with the parties' intent and while maintaining the rights of both parties contained in the Agreement, the parties agree that the teacher workday/ student holiday day between the first and second semester after the holiday break in January may be moved to the day between the first and second quarter. The day in January may now become a non-workday for teachers. As long as this day is still a workday for 12-month employees, teachers will be permitted to come on campus (unpaid) if they choose. This change is to remain in perpetuity unless the parties negotiate otherwise.
 12. On days of both the primary and general elections, teachers shall be released as soon as the student day has ended and student supervisory duties have been completed.

Section C - School Day / Workweek

1. Duty Free Lunch

A teacher shall be entitled to a daily duty-free lunch period of no less than thirty (30) minutes. Teachers assigned to self-contained exceptional education classes shall be entitled to such duty-free lunch when feasible. The forty (40) hour workweek shall be inclusive of the daily lunch period. It is not the intent of the Board herein to preclude reasonable duty-free lunch time not provided herein, where such may be reasonably provided nor to preclude a principal from implementing an alternative method of providing such duty-free lunch to a teacher for whom duty-free lunch is not provided herein. All schedules for teachers' lunch shall reflect the thirty (30) minutes provided for duty-free lunch.

- a. The principal is encouraged to consider the availability of all nonbargaining unit personnel when assigning supervisory lunch room duties.
- b. Teachers of resource exceptional education classes shall not be required to serve lunchroom supervision longer than a time equal to the length of time allotted for individual students' lunch periods.
- c. If a principal decides to close the school library in order for the Media Specialist to serve lunchroom supervision, the principal is encouraged to seek alternative procedures which will allow the media center to remain open during such lunch serving time.
- d. In cases where a self-contained exceptional education teacher does not receive his or her lunch due to documented concerns regarding student safety and supervision, the teacher will receive compensatory time by submitting a request within two (2) workdays.

2. Planning time

Except as provided herein, teachers who are assigned to teach in elementary schools, middle schools, junior high schools, or high schools shall be scheduled for a period of uninterrupted preparation time.

- a. The use of such preparation time shall normally be for the purpose of teacher preparation, student staffing, individual parent conferences, department meetings, evaluation conferences, and the like. It is not the intent of the parties for planning time to be used for those purposes, which could be better accomplished by utilizing a school-wide faculty meeting.

- b. The length of preparation time for teachers in middle schools, junior high schools, and high schools shall normally be equal to the length of the students' class period on the day preparation time is granted. Except for schools with block scheduling, preparation time for part-time teachers shall be scheduled pro rata.
- c. Teachers in elementary schools shall be scheduled for no less than two hundred sixty (260) minutes of preparation time during each full five (5) day workweek. Sixty (60) of the two hundred sixty (260) minutes may be outside the normal student day. If the workweek is less than five (5) days, such preparation time shall be reduced pro-rata fifty-two (52) minutes per day for each day students are not scheduled to attend full time. It is the intent of the parties that the allowance to schedule sixty (60) minutes of planning time as provided herein, should not be used to lower the amount of planning that has normally been scheduled during the student day.
- d. The principal will provide an additional thirty-five (35) minutes of protected planning time once a week. The day of the week will be at the principal discretion.
- e. Except as otherwise provided herein, preparation time as provided herein shall be scheduled within the six and one-half (6 1/2) hour period of time immediately following the beginning of the normal student day.
- f. Classroom teachers assigned to teach in elementary schools shall have three (3) of their five (5) forty (40) minute weekly preparation times as "No meeting zones" for uninterrupted preparation time. Each school will determine which days each week will be so designated. Except in an emergency, the principal shall not adjust the schedule. Classroom teachers assigned to teach in secondary school shall have at least three (3) of their weekly preparation times without any scheduled meetings, except in an emergency. A third (3) day of the five (5) weekly preparation times will be considered "no meeting zones" with the exception of meetings mandated by state or federal law including, but not limited to, IEP, 504, and LEP or meetings scheduled at the teachers' request.
- g. Vocational Teachers with multi-period blocks of classes and/or other teachers not normally assigned to class groups shall not be entitled to preparation time as described herein. This latter group includes, but is not limited to, counselors, occupational specialists, alternative education teachers, area counselors, resource teachers and media specialists not

assigned a full class load. Multi-period blocks of classes as used herein shall mean only those instances in which a teacher's classes are scheduled in multi-period blocks for the entire student day, e.g. three (3) classes of two (2) period blocks in a six (6) period day. Provided that in the event of an emergency, planning time as provided herein for an exceptional education teacher may not be provided.

- h. It is not the intent of the Board herein to preclude reasonable preparation time for teachers not covered herein, where such preparation time may reasonably be provided.
- i. A teacher who is not assigned to the extended day program as provided herein and is scheduled for more than one (1) daily non-teaching period may be assigned to perform other duties as required during no more than two (2) of such additional daily non-teaching periods per teacher workweek. Teachers who do not receive the equivalent of more than one planning period shall not be assigned any additional supervision duties during the student day.
- k. Elementary schools may develop through the School Advisory Committee, for submission through the district waiver process, a plan for an amount of time during the teacher workweek where teachers and parents may confer and teachers may plan together or individually. The waiver process and form will be made available to the chairperson of the School Advisory Committee and the Union office.

3. **Signing out**

A teacher may leave the school site during his/her workday after signing out on a Google form designed for such purposes indicating the date, name, personal/work related (if work related – where) and time of departure. The teacher must sign in if returning to the school site prior to the end of the day. The time away from the site shall not be charged against the teachers' sick, personal, or compensatory time. This procedure is not meant to provide approval for the teacher with last period planning to regularly leave the building early.

4. **Forty (40) hour week**

The normal teacher workweek shall not exceed forty (40) hours inclusive of a daily thirty (30) minute lunch period except in an emergency and/or compensatory time. The regular workweek is forty (40) hours. The principal will establish the eight-hour work day. All scheduled meetings shall be scheduled within the eight-hour work day. It shall not be established practice to regularly schedule a workday longer than eight hours.

- a. If the teacher workweek shall be less than five (5) days as a consequence of an official school recess or holiday, the normal workweek shall be reduced pro-rata from paragraph 4 above.
- b. In addition to the eight-hour day, a principal shall create at least one alternate eight-hour daily schedule. Teachers will be given the opportunity to opt into this schedule during pre-planning, or at time of hire. Teachers who opt into the alternative schedule are still responsible to attend required meetings, even if this extends their work day beyond eight hours. This language does not prevent a principal and teacher from mutually agreeing to change work hours on an individual basis.
- c. As used herein, the normal teacher workweek shall not include time devoted to performance of duties for which compensation is received pursuant to The Schedule of Differentiated Pay for Extracurricular and Differentiated Pay Compensation. If such assignment is not included in the Schedule of Differentiated Pay, the amount paid for such assignment shall be as determined by the Board.
- d. With at least twenty-four hours' notice, teachers shall be allowed to flexibly schedule up to a half-hour per week of non-student time. Such time would be added to the beginning or end of a workday to make up for the time missed at the beginning or end of a workday of the same week. Such flex time is not intended to coincide with meetings, supervisory duties, or early release days.

5. Compensatory Time Accrual

Adjustments to the workweek shall be allowed only when the length of the work assignment(s) does not cumulatively exceed thirty (30) minutes in a normal workweek. Assignments beyond the thirty (30) minutes in such workweek are subject to the compensatory time provisions of this Agreement. In the event a teacher is assigned to work beyond the normal forty (40) hour workweek, then compensatory time shall be accrued by the teacher. The rules for accrual of compensatory time shall be as follows:

- a. In the event a teacher meets with a parent of his/her students and such meeting causes the teacher to extend his/her forty (40) hour workweek, time spent at the parent conference shall be subject to compensatory time provided that the principal and teacher have prior mutual agreement that such parent conference time will qualify for compensatory time. Parent conferences as used herein are those parent conferences in addition to those found on the school calendar as adopted by the Board. The requirement of "prior mutual agreement" may be met by the principal establishing a building policy.

- b. Time spent at parent-teacher conferences shall be accruable subject to the compensatory time provisions of this Agreement. In the event a principal assigns a teacher to perform duties which require him/her to return to school for evening functions (e.g. open houses, individual parent conferences, other such functions), time spent at such assignments shall be accruable to compensatory time. This does not preclude a teacher from applying for compensatory time accrual for other duties beyond the forty (40) hour workweek. Time spent at these functions is not subject to additional financial compensation.
- c. In the event a principal assigns a teacher to the class or classes of an absent teacher and/or the teacher loses his/her preparation time as a result of the assignment, compensatory time equal to the amount of lost preparation time shall be made available to the affected teacher for such preparation time.
- d. Compensatory time shall automatically be accrued for required supervisory responsibilities at assemblies, test proctoring, pre and post hurricane preparation for teachers in schools that serve as emergency shelters, or other activities that eliminate a teacher's planning time.
- e. Requests to accrue compensatory time shall be submitted within seven (7) workdays of the event and the principal shall act on the request within four (4) workdays of submission by returning the signed form. In the event the principal does not act on any request for accrual of compensatory time within the specified time frame the request shall be considered approved.
- f. In the event a teacher transfers during the school year from one school to another, any unused compensatory time shall transfer with the teacher subject to the following condition: Written verification of accrued compensatory time shall be provided from the sending principal to the receiving principal at the time of the transfer.
- g. Compensatory time shall only be accrued during the school year in which it is earned.
- h. In the event double data entry is necessary due to the District-wide failure of Enrich or similar ESE reporting system during grade reporting periods, compensatory time shall be accrued for additional work required by teachers outside of the school day.

6. **Compensatory Time Utilization**

The rules governing the utilization of compensatory time shall be as follows:

- a. Except as otherwise provided herein, compensatory time shall only be utilized during the school year in which it is earned. Teachers shall be given the opportunity to utilize their compensatory time, as provided herein, and compensatory time shall not be carried forward from one school year to another except as provided.
- b. Teachers shall submit a written request to the principal for utilization. The written request must be received by the principal no earlier than forty (40) calendar days prior to and no later than two (2) school days prior to the date compensatory time, if approved, is to be utilized.
- c. The principal shall act on requests for the utilization of compensatory time within one (1) school day, if submitted two (2) school days prior to the utilization. Other requests shall be acted upon within two (2) school days of the request. In the event the principal does not act on any request for the utilization of compensatory time within the specified time frames, the request shall be considered approved. In circumstances where the requesting teacher is not assigned to the same worksite as his/her principal, such responses shall be extended to three (3) school days. When a teacher applies for compensatory time two (2) or more school days prior to the day compensatory time is requested to be utilized, the teacher cannot be required to supply his/her own substitute as a condition of approval for such compensatory time request.
- d. Time limits may be waived by the principal without precedent and at his/her discretion.
- e. Failure of a teacher to utilize approved compensatory time may result, at the principal's discretion, in the reduction of such time from the teacher's accrued compensatory time balance.
- f. Up to twenty-four (24) hours of unused compensatory time shall be carried forward to the next school year.
- g. Up to twenty-four (24) hours of accrued compensatory time shall be made available to that teacher for utilization during the normal student day. Nothing contained herein shall preclude a principal from approving utilization of compensatory time during the student day beyond the minimum guaranteed amount of twenty-four (24) hours.
- h. Nothing contained herein shall be construed as precluding a

principal from allowing the utilization of compensatory time on a nonstudent attendance day as reflected on the school calendar as adopted by the Board.

- i. In the event a principal denies the utilization of accumulated compensatory time on an inservice day or on a post-planning day as scheduled on the school calendar as adopted by the Board, such denial shall give the affected teacher(s) the right to use, at his/her option, compensatory time in lieu of and for the same purpose(s) as sick leave. The amount of any such compensatory time utilized as sick leave shall be no more than an amount equal to the time designated by the Board for the affected inservice day or post-planning day. Provided that any sick leave taken on an inservice day or post-planning day shall be deducted from the accrued sick leave balance of the teacher.
 - j. In the event a teacher chooses to utilize compensatory time in lieu of sick/personal leave as provided herein, such teacher shall be given a verification of such time being so charged to his/her compensatory time balance.
 - k. The utilization of accrued compensatory time for a documented medical emergency shall be permitted. Documentation shall be submitted upon return to duty.
 - l. On a day in which a teacher uses sick leave for a portion of a day, utilization of time before instructional hours or after instructional hours shall be allowed.
 - m. Compensatory time utilization for a full-work day (24 hours total) shall not be denied if a teacher abides by provision 6.(b) and no more than 8% of the teachers are on personal leave exclusive of Friday's prior to Monday holidays, the week of Thanksgiving, and the Friday's prior to spring break and winter holiday.
- 7. Attendance of teachers at PTA or PTO meetings shall be voluntary.
 - 8. The use of time clocks for checking in and out shall be prohibited.
 - 9. Teachers shall not be required to open their classrooms to students more than fifteen (15) minutes before the published start of the student day. Exceptions will be allowed for inclement weather or other emergencies.

Section D - Teaching Assignments and Duties

1. Pursuant to state law, the Board may hire degreed, non-certificated personnel for positions designated "critical shortage". The Union will be notified seven (7) calendar days prior to the publication of the Board agenda item concerning the Board designating such "critical shortage" teaching areas. The Union may provide input for the Board's consideration. All other teachers must qualify for a valid Florida teaching certificate.
2. Teachers shall be assigned to a grade level and/or subject for which they are qualified. If teachers are assigned to a grade level and/or subject beyond the scope of their certificate they shall be reassigned as promptly as circumstances permit within the scope of their certificate. The foregoing shall not preclude agreement of teachers to continue to teach outside the scope of their certificate while working for the acquisition of proper certification.
3. In assigning teachers for the upcoming school year, every effort shall be made not to move a teacher from a primary to an intermediate assignment or from an intermediate assignment to a primary assignment or more than two grade levels from his or her current assignment without the consent of the teacher. Every effort shall be made not to move a secondary teacher more than two grade levels, or out of or into specialized programs without the consent of the teacher. Every effort shall be made to not give a secondary teacher a third preparation. Every effort will be made that teacher assignments, preparations, and rooms will not change. In the event a teacher assignment change may be necessary, student data, performance evaluation, certification, teacher input, and overall instructional needs of the school will be considered.
4. No later than one week before the voluntary transfer period begins, the principal shall make available, upon request of the teacher, his/her anticipated teaching and room assignment for the following school year. Further, after December 1, the principal shall make available upon request of the teacher, his/her anticipated teaching assignment for the forthcoming school semester.
5. If teachers are required to teach at more than one school, one school shall be designated as his/her home base. Except as otherwise provided herein, teachers who are assigned to teach in more than one school and such assignment results in his/her traveling between such schools during the student day, such teacher shall suffer no loss of the rights conferred by this Agreement, including loss of planning time and/or duty-free lunch as contained herein.
6. Teacher participation in school activities beyond the normal teacher workweek shall be voluntary wherever possible. If a situation arises where such assignment must be made where no volunteers are available, priority

consideration will be given to the teacher's prior personal commitments. All assignments beyond the teacher workweek will be compensated pursuant to Article XVIII of this Agreement, or if such assignment is not included within Article XVIII, such amount as may be determined to be appropriate by the Board.

7. Secondary teachers are eligible for an optional class differential if electing to teach a seventh (7th) period. This assignment is on a voluntary regular daily basis and is limited to the circumstances listed below:

 - b. A teacher assigned to teach six periods may volunteer to teach an optional seventh period.
 - c. Each principal shall notify all teachers from his/her faculty of the availability of scheduled optional classes.
 - d. Teachers desiring to work an optional class period must notify the principal in writing of his/her desire to participate in such assignment.
 - e. All applicants who express a desire to teach an optional class period shall be notified of the principal's decision as soon as possible.
 - f. Among the factors to be considered in the selection of teachers for such optional class assignments shall be the following:
 - 1) area(s) of certification
 - 2) current and prior teaching experience
 - 3) differentiated pay position(s) held
 - g. Such teachers shall be compensated pursuant to Article XVIII, Section H, Schedule of Differentiated Pay.
8. Lesson Plans are required and should reflect the standards and essential elements:
 - a. Targeted state-adopted standards
 - b. Evidence of learning/assessments that will demonstrate students' mastery of the state-adopted standards.
 - c. Daily learning activities.

The format for plans shall be decided by the teacher for the purpose of working with his/her students and shall include sufficient information for substitutes and evaluators. Teachers are expected to show necessary

documentation for the student with IEP's, 504 plans, ESOL requirements and other accommodations. The documentation does not have to be in weekly lesson plans. There shall be no requirement that teacher's lesson plans are for more than one week at a time. Teachers leaving the district or transferring to another school shall turn in their lesson plan books and/or gradebooks to the principal as part of the checkout procedure. Routine submission of lesson plans shall not be required except in the following instance: when the performance of the teacher has been less than satisfactory. In this event, format and content may be part of an assistance plan. Lesson plan restrictions shall be waived for all "DA", "D" and "F" schools until they have regained at least "C" status.

9. The parties agree that the provision for student supervision is primarily the responsibility of the professional employee in order to ensure a safe school environment. Supervisory duty shall be reviewed to ensure adequate supervision and equitable distribution of assignments.
10. A Steering Committee composed of a school's faculty may be established in each school at the discretion of the faculty. The Steering Committee may request and shall be granted a meeting with the principal at least quarterly during the school year on a mutually agreeable date and time. The purpose of the Steering Committee is to offer input from the faculty to the principal concerning any matters pertaining to the operation or the educational program of the school. However, pending grievances or an individual teacher's issue may not be discussed. Recommendations of the Steering Committee will be given full consideration by the principal.

Each school shall have three (3) to seven (7) members on its Steering Committee, with one membership reserved for a BFT building representative or designee. Other members shall be selected by the faculty. It is not the responsibility of the principal to organize the Steering Committee.

The Steering Committee is responsible for submitting a written agenda to the principal no less than three (3) workdays before the meeting with the principal. The Steering Committee will prepare minutes of the meeting and submit those minutes to the principal for review. Upon approval of the minutes by both parties, the Steering Committee will make available to the school faculty minutes of the meeting.

11. The requirements and procedures for teacher attendance at Board-adopted district inservice days as reflected on the Board-adopted district calendar shall be as follows: Teachers shall attend inservice programs held on inservice days except as provided below.

- a. When district records show that a teacher has had, within the three (3) previous years, a specific inservice experience, which is being required, the teacher may attend at his/her option.
 - b. Upon a review of the inservice programs offered on a specific inservice day, the teacher and his/her principal mutually agree that the programs offered on that day do not contain activities which would beneficially apply to the responsibilities of the teacher or the teacher has renewed his/her certificate for that school year, the teacher shall be allowed to remain at his/her school or at another school board cost center, as assigned by the principal or request compensatory time.
 - c. A teacher is granted an approved leave of absence for that day(s).
- 12. When a teacher receives a significant reassignment after the start of the school year, the principal shall provide non-student time for planning and preparation.
 - 13. Teachers serving in differentiated pay positions at other than their home school may, at the discretion of the principals involved, with reasons given when denied, leave at the end of the school's student day to fulfill those differential responsibilities.
 - 14. The Brevard Public Schools (BPS) electronic system shall be used in lieu of paper grade books. The teacher of record will input grades and content weekly for parents to review. At the teacher's discretion, a monthly calendar is adequate in lieu of weekly content up-dates in the electronic system. The grades should reflect how students are doing on an on-going basis. Grades reported in the areas of Art, Music, Physical Education or specialized programs may vary. On-going training shall be made available to teachers.
 - 15. The parties agree that with growing use of technology, there is a reduced need for paperwork. Every effort shall be made to eliminate the need for multiple entry of data.
 - 16. No teacher shall be required to apply for an award, or retaliated against for not applying for an award, for his/her school(s) or department(s), for which they are ineligible.
 - 17. In order to maintain employment, instructional staff are required to hold teacher certification issued by the Florida Bureau of Educator Certification or the District as a term of employment will be required to be certified, qualified and highly qualified to teach core content courses or certified and qualified to teach non-core content courses in the areas for which they are re-employed.

If a teacher removes a certification for which they were employed, re-employed or reappointed to teach, the District has no further obligation to continue his/her employment.

18. Semester exams, if required for submission for review by administration shall not be required for submission more than two (2) weeks in advance of the administration of the exam.
19. Every reasonable effort shall be made to provide no less than ten (10) working days' notice to a teacher required to attend a staffing.
20. There shall be no expectation that an IEP be written more than a week before the IEP conference.
21.  - a. If an individual teacher feels a class has an excessive number of students, he/she may request a meeting with the administrator who will discuss the issue with the teacher and attempt to resolve it within two weeks.
 - b. If the teacher is not satisfied with the resolution at the school level, it shall be referred by the administrator to the appropriate district administrator in Leading & Learning who will, within two weeks, assess the situation and make a final decision as to whether an adjustment in class size should be made. Said decision will be final and will be communicated to the teacher stating the reasons.

Section E - Vacancies and Promotional Vacancies

1. A notice of all promotional vacancies shall be posted in each school at least five (5) workdays prior to the closing of the application period. A copy of such notice shall be sent to the Union president at the time it is sent to schools.
2. The Deputy Superintendent / Chief Human Resources Officer or designee shall post, on the district website a listing of all current teacher and promotional vacancies.
3. The Board agrees to notify applicants and Union of the Board's decision regarding the filling of such vacancy(ies) provided that the applicant and Union have submitted a stamped self-addressed envelope with his/her application.

4. No promotional vacancy for which a pool exists, except vacancies which exist at the level of superintendent's staff, shall be permanently filled until all teachers who have properly submitted applications and who meet the qualifications as reflected on the posted notice and have highly effective or effective evaluations have been considered for an interview. If the applicant applies for at least five (5) positions and is not granted an opportunity to interview, he/she has the right to meet with the appropriate superintendent or designee along with a union representative.
5. For the Purpose of Promotion:
 - a. A notice of promotional vacancy shall set forth the qualifications, primary requirements, duties, and other pertinent information and the date by which the applicant must file the application. Such notice shall also include information indicating the salary range for the position and procedures for application.
 - b. Promotional vacancies shall be positions on the Administrative and Support Salary Schedule as adopted by the Board.
 - c. A notice of promotional vacancy shall reflect the anticipated location of the vacancy if known.
6. Such notice shall include the criteria pertinent to the appointment. In filling such positions consideration shall be given to the prior opportunity of teachers to serve on such similar task forces and workshops so that they may be shared equitably among qualified teachers with highly effective or effective evaluations seeking such appointments.

Section F - Annual Contract Reappointment

The parties agree that it is in the best interest of the District to reappoint Highly Effective and Effective Annual Contract (AC) teachers as soon as possible. To meet that goal, principals will recommend to the Superintendent for reappointment any Annual Contract (AC) teacher who meets the following criteria:

1. An overall rating of not less than "Proficient" for the current years' Summative Part 1: Professional Practices" Instructional Personnel Performance Appraisal System (IPPAS) annual evaluation; and
2. No less than an "Effective" final evaluation rating in the prior year in Brevard County; and

3. No actions that rose to the level of discipline concerning interactions with children during the school year.

Such recommendation may occur up to two (2) weeks before the District begins any voluntary or involuntary transfer period. Based on the needs of the District, the Superintendent will recommend for assignment such Highly Effective and Effective Annual Contract (AC) teachers to either their current school, provided that a position exists at his/her school and said employee meets all necessary eligibility requirements related to certification, High Qualified statutes, ESOL status, and program needs, prior the final student day of the school year; or to an Annual Contract Teacher Pool. An employee in this Pool shall be eligible for reappointment should a position in the District become available as long as he/she meets all necessary eligibility requirements related to certification, Highly Qualified status, ESOL status, and program needs. In cases where more than one individual in the Annual Contract Teacher Pool qualifies for a vacant position, the principal shall interview from the eligible candidates. All teachers placed in the Pool will be assigned to positions in their certification areas before an external candidate with the same certification is hired. An eligible annual contract teacher who refuses a position offered through these procedures shall forfeit his/her placement in the Annual Contract Teacher Pool. The District's Human Resources Department shall compile and maintain a list of employees in the Pool who meet the aforementioned requirements but for whom no position is available in the District. This language shall not be applicable to program areas identified by the District for workforce reduction for the ensuing school year. Procedures for placement in the Annual Contract Teacher Pool shall be made known, in writing, to any teacher being placed in the Pool prior to the last day of the school year. The entire process defined by this language ends at the close of the six-day count process. At that time, the Annual Contract Teacher Pool is dissolved.

Notwithstanding any provisions in this Article, Annual Contract employees, irrespective of evaluation process or rating, shall remain subject to non-reappointment by the Superintendent.

ARTICLE VII - TEACHER PROTECTION

- A. The Board acknowledges the desirability of giving reasonable support and assistance to teachers with respect to proper maintenance of control and discipline in the classroom. Individual school procedures and policies for handling student discipline shall be reviewed by each school's School Advisory Council and revised or developed as needed so as to ensure that the referring teacher has the opportunity to input his/her feelings regarding the disposition of the referral. Discipline procedures shall stress the importance of uniform application. When the offense is serious enough to warrant suspension of the student in accordance with the School Board policy and/or the School Discipline Plan, such referred student will not be returned to the teacher's class the same period (or 30 minutes in elementary school) from which the student was referred unless he/she is escorted by an administrator or a written explanation from same stating his/her reasons for the student's return accompanies the student.

Except as otherwise provided herein, when a student(s) is referred to the administrator for disciplinary reasons, the teacher shall be informed of the conditions, if any, which have been imposed on the student before he/she reenters the class. Whenever the circumstances do not permit the administrator to address a particular student referral, the administrator may

return the student to the referring teacher's class and recall the student at a later time. The referring teacher shall be notified of the necessity of such return and recall. If a serious situation exists, the teacher may return the student to the principal.

Before the student is returned to class, serious consideration should be given to the effect such return would have on the learning environment for the other students in the class. If the consequence of a discipline referral is a conference with administration, the teacher shall be allowed to attend that conference if he or she requests. If a teacher requests a conference with an administrator or acting administrator about a referred non-ESE student, the teacher has the right to deny the entry of the referred student into his or her classroom for up to forty-five (45) minutes from the time of the incident. If the teacher invokes this clause, an administrator or acting administrator must have a conference with the teacher within three (3) days.

- B. The teacher shall have the right and responsibility to impose classroom discipline where necessary and may use reasonable force to protect himself/herself from attack, or to prevent injury to a student where intervention is a prudent course of action.
- C. A teacher shall have the right to temporarily exclude a student from class when the misbehavior or disruptive effect of the behavior makes the continued presence of the student in the classroom intolerable. In such cases, the teacher shall furnish the principal or designated representative as promptly as teacher obligations will allow, with full particulars on the problem or incident in writing. The Board shall be responsible for notifying the teacher of the disposition of the case as promptly as administrative obligations will allow.
- D. School authorities will endeavor to achieve correction of student misbehavior through counseling, interviews, and conferences.
- E. The Board and the Union agree to review the classroom management training of the beginning teacher in order to determine what changes, if any, should be made in order to better equip beginning teachers to handle student discipline. On a voluntary basis, Educational Research and Dissemination programs on classroom management for the beginning teachers shall be made available to teachers during the afternoon of the preplanning period. The voluntary nature of such ER&D programs shall not prohibit the principal from providing compensatory time for such attendance, provided that up to four (4) ER&D instructors shall be granted compensatory time for time spent in instructing the ER&D Program described above.

- F. Any case of assault upon a teacher while in the performance of his/her assigned duties shall be promptly reported to the appropriate representative of the Board. The Board shall render reasonable assistance to the teacher in connection with handling of the incident by law enforcement authorities.
- G. Time lost by a teacher in connection with any assault on a teacher or as a consequence of the negligence of the Board shall be handled as follows, provided the teacher was at all times acting within the scope of his/her employment and pursuant to Board policy and applicable law:
 - 1. Time for required appearances before a judicial body or legal authority shall result in no loss of salary or reduction in accumulated leave.
 - 2. In case of disability the teacher's wages shall continue in full without reduction in accumulated leave until Worker's Compensation payments begin. Thereafter the Board shall pay to the teacher the difference between the compensation payment and the contractual salary of the employee without reduction of accumulated leave until the teacher is able to return to employment or is eligible for retirement, but in no event more than one hundred ninety-six (196) teacher employment days after the occurrence of the event giving rise to the application of this section.
 - 3. Where a teacher is finally adjudged guilty of a criminal charge or has judgment entered against him/her in a civil case as related to the incident, the Board has no further responsibility for pay or loss of accumulated leave.
- H. If any teacher is sued in a civil action as a result of any action taken by the teacher in the proper exercise of his/her responsibilities, the Board will provide for the defense thereof.
- I. Teacher's desks and lockers shall not be entered or searched except in an emergency or when it shall be necessary to locate a teacher's plan book or other materials to assist the instructional process. If such entrance or search shall occur, the teacher shall be made aware of such action and the reason therefore upon his/her return to work.
- J. The Board shall continue to provide liability insurance coverage for all teachers no less comprehensive than that in effect on the effective date of this Agreement.
- K. A written statement by the Board governing use of corporal punishment of students shall be made available on the district website. The Board agrees to

indemnify teachers against any civil damages and provide for the defense of any act authorized by such written statement of the Board.

- L. No teacher shall be disciplined for refusing to check for head lice and/or perform non-emergency medical procedures on students. It is not the intent of the Board that scheduled routine medical procedures be construed as emergencies.
- M. School Volunteers
 - 1. Prior to the principal assigning a volunteer to work with a classroom teacher, the teacher shall be given a reasonable amount of time during which he/she may interview the volunteer and/or let his/her views be known regarding the volunteer's assignment to the classroom. The parties agree that the best interests of all parties are served when volunteer assignments are made in an atmosphere of mutual consideration.

During the 2010-2011 Legislative session, the Student Success Act (SB 736) was passed and one of the provisions of this bill addressed advanced degrees. The language states: *"A District school board may not use advanced degrees in setting a salary schedule for instructional personnel or school administrators hired after July 1, 2011, unless the advanced degree is held in an individual's area of certification and is only a salary supplement".*

The District has adopted a Pay-for-Performance Salary Schedule as set forth in Florida Statute 1012.22 that provides annual salary adjustments for instructional personnel based upon performance determined under Florida Statute, 1012.34,

rather than on years of experience. The placement schedule above reflects initial placement only.

Please call Human Resources at 321-633-1000 Ext. 11220 for more information.

The 2015-2016 amended salary schedule will become known as the "Grandfathered" salary schedule.

New teachers hired after the effective date of this contract will be placed on the salary schedule commensurate with Brevard Public School teachers' years of experience.

Teachers shall accrue annual leave consistent with board policies for all other 12-month employees.

Movement of employees on the Instructional Salary Schedule is accomplished only through negotiations between the Union and the Board subject to the provisions of Chapter 447, F.S. It is further understood that upon expiration of the Agreement, incremental steps on the salary schedule are subject to renegotiations and are not automatically payable until such time as a new salary schedule has been ratified.

Except as otherwise provided herein, a teacher who is assigned to work in an instructional capacity involving direct contact with students, e.g. elementary school foreign language programs, and when such assignments are during the teacher's normal work year and beyond the normal teacher forty (40) hour workweek, time spent on such assignments shall be paid at the affected teacher's hourly rate. For each one hour of work time, the teacher shall be scheduled for no less than fifteen (15) minutes of preparation time.

A teacher must have worked a minimum of two consecutive nine-week grading periods in the same school with the same students to be eligible for the District's state-approved Pay for Performance Program.

- B. Two (2) years of credit for purposes of placement on the salary schedule shall be given for military service completed since January 1, 1940. A year of experience shall be granted for twelve (12) months of active duty service. A partial year shall be counted if the active military service is within thirty (30) days of being a full year. Additional credit shall not be allowed for teaching assignments while in military service.
- C. Ninety-nine (99) or more days of full-time teaching, to include paid leave, in any single year shall be considered as one (1) full year of experience. If a full-time Brevard Public School (BPS) teacher works no less than one (1) full

semester and such full semester has fewer than ninety-nine (99) days, one year of experience will be granted for pay purposes.

- D. Teachers hired before July 1, 2011, who had earned an advanced degree are grandfathered and will continue to be paid a supplement for the highest degree the teacher has earned. Teachers hired on or after July 1, 2011, will be paid a salary supplement annually for advanced degrees provided the advanced degree is held in the individual's area of certification. The teacher is responsible to submit appropriate academic credentials.

Master's Supplement	\$2,730.00
Specialist's Supplement	\$4,056.00
Doctorate Supplement	\$5,408.00

For those teachers hired on or after July 1, 2011, an advanced degree shall be deemed held in the individual's area of certification in accordance with section 1012.22(1)(c)3, Fla Stat. Florida Statutes (20128), if the official transcript issued by the accredited post-secondary educational institution or an authorized clarifying letter from the educational institution, submitted directly from the university on letterhead in a sealed envelope, clearly and specifically provides a major, concentration, or specialization in the individual's certification subject (e.g. mathematics, English, Elementary Education). The Bureau of Education Certification Degree Major List of the Florida Department of Education shall be used by the district as a tool in determining whether the advanced degree major is acceptable for the supplement. Once documentation is provided and verified, the teacher will begin receiving the supplement pay from the date of verification forward. Teachers hired on or after July 1, 2011 may submit advanced supplement documentation as described above; however, payment will not begin until the verification process has been completed. No retroactive payments will be made.

- E. The Board shall provide terminal pay to any teacher upon the teacher's retirement or to his/her estate or beneficiary if service is terminated by death. However, such terminal pay shall not exceed the amount shown as follows:
1. During the first three (3) years of district service, the daily rate of pay multiplied by thirty-five percent (35%) times the number of days of accumulated sick leave.
 2. During the next three (3) years of district service, the daily rate of pay multiplied by forty percent (40%) times the number of days of accumulated sick leave.

3. During the next three (3) years of district service, the daily rate of pay multiplied by forty-five percent (45%) times the number of days of accumulated sick leave.
 4. During the next three (3) years of district service, the daily rate of pay multiplied by fifty percent (50%) times the number of days of accumulated sick leave.
 5. During and after the thirteenth (13th) year of district service, the daily rate of pay multiplied by one hundred percent (100%) times the number of days of accumulated sick leave.
 6. The four (4) days of sick leave credited to each teacher shall be treated as four (4) days of entitlement upon the teacher's retirement or to his/her estate or beneficiary if service is terminated by death.
 7. Payment for terminal pay as described above will be paid sixty (60) days after the date of normal retirement.
- F. To calculate a teacher's daily rate of pay, the base salary shall be divided by one hundred ninety-six (196). To calculate an eleven (11) or twelve (12) month teaching contract salary, the ten (10) month base salary shall be divided by one hundred ninety-six (196) days and multiplied by the actual number of contract days.
- G. Salaries shall be paid twice a month in twenty-four (24) pays.
- H. A teacher whose employment is terminated for any reason shall receive his/her terminal pay, if any, and all salary earned prior to the date of said termination less any deductions sixty (60) days after the termination date, provided all obligations to the Board have been completed.
- I. Upon written authorization of the teacher, the Board shall forward for deposit into the teacher's bank account, all or a specified amount of the teacher's net salary.
- J. Teachers employed by the Board shall receive appropriate substitute pay until such time as the Board officially ratifies their employment. Upon official School Board ratification, the teacher shall receive the balance of monies which insures full salary as a teacher retroactive to the date of the appointment by the School Board in his/her next scheduled paycheck.
- K. Any teacher required by the Board to provide his/her personal transportation shall be reimbursed by the Board at no less than the rate allowed by law. Such

requirement shall not include routine travel to and from the teacher's home and the school to which assigned.

- L. Effective the beginning of the 1987-88 school year, the Board shall provide a teacher with the option of an annual payment for sick leave days accumulated during the school year provided such payment is subject to the teacher's exemplary attendance for the school year as reflected in the district payroll records. A teacher who is absent for more than four (4) workdays during the school year shall not be eligible for annual payment as provided herein. Provided that absences on approved professional leave and/or line-of-duty leave, two (2) days of personal leave charged to sick leave used for the purpose of religious observance, personal leave used for NBPTS, paid military leave, and jury-duty leave shall not adversely affect such record of exemplary attendance. Any other absences from duty, including illness or injury in-line-of-duty shall act as a bar to the benefit provided in this paragraph. Payment for such exemplary attendance shall be calculated at eighty percent (80%) of the affected teacher's daily rate times ten (10) days. Days for which such payment is received shall be deducted from the accumulated sick leave balance. Payment as provided herein shall be made as soon as payroll procedures may reasonably permit, but no later than July 1, of the year in which the application is made.
- M. Compensation for adult education teaching and/or summer school teaching shall be as determined by the Board except as provided in Article XXVI, paragraph A.
- N. Effective July 1, with the 2002-03 school year, the following language shall be implemented. The salary of a teacher as reflected in Section A of this Article shall remain the same dollar amount under the following conditions:
 - 1. The teacher receives an overall "needs to improve" on his/her annual evaluation for two (2) consecutive years. The teacher's movement on the salary schedule shall be frozen for the subsequent school year(s) until that teacher demonstrates "effective" performance. At such time, vertical movement on the salary schedule shall be restored to the proper level where the employee would have been if the increment had not been frozen.
 - 2. The teacher receives an overall "unsatisfactory" on his/her annual evaluation. The teacher's movement on the salary schedule shall be frozen for the subsequent school year(s) until that teacher demonstrates "effective" performance on two (2) annual evaluations. At such time, vertical movement on the salary schedule shall be restored to the proper

level where the employee would have been if the increment had not been frozen.

- O. Effective July 1 with the 2004-2005 school year the following language shall be implemented. The salary of a teacher as reflected in Section A of this Article shall remain the same dollar amount under the following conditions:

A teacher who is involved in an egregious incident, as determined by the superintendent, shall have his/her salary frozen for the subsequent school year. Upon completion of the subsequent school year with the demonstration of "effective" performance on his/her annual evaluation, vertical movement on the salary schedule shall be restored to the proper level where the employee would have been if the increment had not been frozen. The teacher shall have the right to appeal to the superintendent within fifteen (15) days of the date of the notification of the decision.

- P. At the start of the 12th year as a teacher with Brevard Public Schools, teachers will receive a \$1,200 recurring longevity supplement that is eligible for the Florida Retirement System. The supplement will be divided equally amongst a teacher's paychecks.

ARTICLE XVIII - DIFFERENTIATED PAY PLAN

- A. The Board shall make an effort to find teacher volunteers for all positions pursuant to this Article. Part of such effort shall include e-mailing all teachers. The principal shall establish minimum qualifications for differentiated pay positions within a school and shall review all applicants who meet the minimum qualifications and make his/her determination as to who should fill the position. When other factors are judged to be equal, it is the intent of the district that teacher applicant(s) from the school with the vacant position shall be chosen.
- B. Paid extracurricular duty and differentiated pay positions shall be those set forth in this Article.
- C. No compensation for any differentiated pay positions shall be paid from cost center internal accounts unless expressly provided herein.
- D. Teachers participating in supervisory duties of events unrelated to the necessary operation of the schools outside the normal teacher workweek and which generate funds, including but not limited to athletic events, dances, and other social functions, shall be compensated at ten dollars and zero cents (\$10.00) per hour.

- E. Nothing shall be construed as to require the filling of any position listed herein, nor to preclude payment of any amount to a teacher for the performance of duties not prescribed herein which occurs outside the normal teacher workweek.
- F. Payments for differentials which are not paid on a monthly basis shall be included in the teacher's regular paycheck upon completion of the sponsored activity.
- G. In the event an elementary teacher plans to engage in an activity which he/she views as qualifying for a special Elementary Program differential, the teacher may submit a written request for such differential to his/her principal. Such request shall contain the anticipated number of hours beyond the normal teacher forty (40) hour workweek. Upon review of the material, the principal shall submit the request in a timely fashion along with his/her recommendation for final determination, including his/her reasons for such recommendation.
