

Brevard Public Schools

Map Key 2020

Below are instructions on how to use your county-wide provider maps. They are designed to show all primary care, specialty, pediatric, urgent care, and behavioral health providers in your custom Brevard Public Schools Roster.

Please follow the steps below:

1. Click  **Comment** in top right corner for provider details & search tools.
2. Click  the magnifying glass to search name, city, specialty, etc.
3. Adjust  zoom as needed by using zooming tools.
4. Hold SPACE bar for easy hand  cursor tool to move page on map.
5. The site key shows what the colors and symbols mean on the map.

	Primary Care Provider Family Medicine, Internal Medicine, General Practice
	Pediatric Provider Pediatricians, Pediatric Specialist
	Specialist (Ex. Cardiology, Podiatrist, Surgery, etc.)
	Emergency or Urgent Care Centers These should only be visited for heightened emergencies
	Behavioral Health Providers Behavioral, LMHC, LMFT, & Substance Abuse Therapies
	Schools
	Parrish Health Network
	Hospital
